OPERATION GRATITUDE CARE PACKAGES

What is Operation Gratitude? This is a project where volunteers fill up boxes with items that will uplift the morale of the person receiving it. These go out to Deployed Troops, First responders, Recruit Graduates, Veterans, and Military Children. These boxes are filled with handwritten letters of gratitude, snacks, hygiene products and handmade items. Here is a partial list of what we can gather to fill up these boxes.

Scarlet Road's Mission

Through holistic care Scarlet Road offers the hope of freedom to those who have been sexually exploited.

We work to intervene and educate in order to prevent victimization, we provide solutions and resources to exit the industry safely, and we journey alongside survivors to find full healing from exploitation. We work to change mindsets around gender-based violence and we educate first responders and our community at large. Scarlet Road is here to change social perspectives, help the community understand and serve victims of sexual exploitation, and provide long-term holistic support for those seeking to exit sexual exploitation and sex trafficking.
