

SOCK IT TO SPRING!

Let's do one more challenge to finish up our two years together!

Starting today, February 1st thru Spring Convention, Saturday April 25, collect and donate SOCKS to your favorite organizations you already support, or find new ones, in your own club areas. Socks can be any size – babies, children, adults – its your choice, just... SOCKS!

Send me an email (daiziedot@yahoo.com) with the total pairs of socks you donated and let's see what our collective impact can be! We'll be re-using our Fall goal of 1,896! Our federation year! If you choose to bring socks to Convention we will also count those towards the goal and donate appropriately!

As before, this is a fun competition with the ones benefitting being our community members! Thank you in advance!
