

What a fantastic 125th Spring Convention... even if there were no in-person hugs!

Great Zoom meetings with several new and returning state members. Thank you to all the first-timers who took the challenge to join us, we hope you enjoyed it and will be back for an in-person meeting next time! The list of all winners for Community Service Projects (CSPs) and Advancement Areas is inside this newsletter.

Congrats again to all!!

Raffle prizes went to some really happy winners:

Item #1 - GFWC emblem - Vicki Connor, GFWC Valley Volunteers

Item #2 - Trio, clip earrings and pin - Jeanette Jester, GFWC Camas Washougal

Item #3 - no tickets, no winner

Item #4 - Magnetic necklace and earrings - Louise Tucker, GFWC Battleground

Item #5 - Funky earrings - Norma Martin, GFWC Apple Blossom Club

Item #6 - Pearl necklace - Nancy Jones, GFWC Sokico

The 50/50 pot was again a huge success!! The collected pot was \$465 and we decided to split the '50' payout to two very happy ladies! Our state made \$233.50 and lucky winners Susan Tyler and Martha Curwen each took home \$116.25! Nicely done ladies!

Fun favorite Flower poll:

Roses - 16 votes
Sweet Peas - 12 votes
Irises - 12 votes
Daisies - 9 votes
Peonies - 13 votes
Begonias - 1 vote
Poppies - write-in, 1 vote!

And results from the Fall poll:

Grilled Cheese & soup - 10 votes
Tacos - 14 votes
Pizza - 6 votes
Salad Bar - 15 votes
Ice Cream Sundaes - 9 votes

REACHING FOR RAINBOWS

I want to thank all the wonderful GFWC-WS members who attended our 2021 Spring ZOOM Convention. We met from all corners of the country, including myself who was in Silt, Colorado with my spouse, three kitties and three dogs. The only major issue was Smoky Jo, our Siamese, wanted to come up on the table and see everyone.

There were a number of ZOOM meetings held prior to convention: the elected officers and finance committee met; President-Elect Dorothy Crowder held a District presidents meeting; Vice President Susan Tyler held the Club presidents meeting; and the Scholarship, ByLaws and Resolutions Committees met.

Bonnie Rail worked with the Community service program and advancement Chairmen via email. So many Zoom meetings to replace the usual round of Friday meetings.

Our GFWC-WS 125th Annual Spring Convention opened on April 17, 2021, with 54 members attending. ZOOM doesn't have hugs but we've had great attendance for our meetings. We went through our Financial reports, Bylaws, CSP Awards and Resolutions. Bring your artwork to Fall Board, we hope to be having Art Room awards then! Our Guest Speaker Wendy Carriker, GFWC Second Vice President, spoke about Perfect and Phenomenal Pandemic Proof Projects. There were some excellent ideas and there was also a lot of laughter. We then recessed until Sunday, April 18, when we finished the rest of our business then enjoyed and hopefully learned from our Guest Speaker Wendy Carriker's second topic "What did she say?" Do we really mean what we say about Leadership and Membership tips?

We thank Wendy Carriker for giving us two days of her knowledge and stories. She said she did miss actually visiting our beautiful State of Washington.

I am also very proud of all our GFWC-WS club members who have stuck with their clubs and our state organization through this COVID-19 pandemic. And hopefully still wearing our masks ;)

But onto the future. Our next Just Social ZOOM Meeting get together will be June 26th. Check for the registration in this Clubwoman, there is no charge to register but if you don't complete the registration you won't be given the ZOOM invite.

GFWC Convention is in Atlanta, Georgia from August 26 through August 30. Have you made your reservations yet? Should be a great in-person Convention, we haven't had one for a while.

Planning ahead just so that you know GFWC-WSR is in Colorado this year September 9-12th and then our own GFWC-WS Fall Board is in Yakima, September 24-26. Hope to see you there.

Enjoy your summer, and in the meantime may your *Rainbows be Plentiful!*

Lela J Taylor
GFWC-Washington State
President 2020-2022

CSP's, Advancement Areas, Programs

GFWC-WS Education and Libraries

Welcome to May.

Congratulations to all the clubs who reported in Education and Libraries for 2020. It was not easy to find projects, but you did a great job supporting scholarships, Little Libraries, purchasing in-home items for teachers, supporting education programs, providing meals for students, providing programs on education on Zoom, as well as continuing to read, read, read. Good job, everyone!

Children's Book Week- "Dedicated to encouraging young readers to enjoy books" - is coming the week of May 3. This is the longest running literacy initiative in our country. It was established in 1919.

National Teacher Appreciation Week is May 3-7. I hope your club can find a way to support/celebrate teachers. How about providing an End-of-the-Day Celebration with coffee, snacks and, of course, chocolate.

REMEMBER: "Without teachers, we would have no class!"

FACTS: According to the International Literacy Association, there are 781 million people in the world who are either illiterate (cannot read a single word) or functionally illiterate (with basic or below basic ability to read). 126 million of them are young people. That accounts for 12% of the world's population.

Other special days during May include: Holocaust Remembrance Day – read The Diary of Anne Frank or One Candle, by Eve Bunting. National Teachers Day is May 7. And, my favorite day this month – National Chocolate Chip Day – look for a fun chocolate bar math lesson at:

<https://www.thoughtco.com/delicious-way-to-teach-fractions-2081114>

"A teacher takes a hand, opens a mind, and touches a heart".

Kathie Jorgensen, Chairman

Environment CSP

Congratulations to "ALL" on your wonderful Environment projects. Keeping our air breathable and the ground healthy for now and the future is important. Keep up the good work.

Nice weather is here/coming. Help beautify your town by cleaning and planting in park areas or your own home. More info later. Have a wonderful Spring and Summer.

Beth Juvik, Chairman
bethjuvik@aol.com

CSP's, Advancement Areas, Programs

Membership/WS

Membership, meaning of one belonging to an organization. Able to sit in our homes safe and healthy but sharing during this time.

With our Federation Sisters, we share our time and accomplish our goals that we are so privileged to have. We learn through our lives. One lesson in learning is the new experience we certainly have with the technology of Zoom.

Taking a break from Zoom let's concentrate on the pride shown for our extremely diligent working clubs and their accomplishments. This has been a year we are holding on to ending soon, but we keep tracking on to help others in need and our fellow club members.

We had some great idea's presented by our guest speaker GFWC Secretary Wendy Carriker. She was very informative and advisory. It is always a pleasure to have a guest from our Headquarters in DC.

One subject that always inspires me is the ability you all have to find what is needed, find how to help the need, and be sure the answer has been taken care of no matter how hard it is to satisfy the need. You are a great group of ladies working for the betterment of the world.

This is why we need to share with those wanting to get involved and work for the greater good. When you are helping other's you feel you have accomplished new goals. What you are going through tends to fade.

My blessings to you all. Stay healthy and safe.
Lynn Cline
GFWC-WS Membership Chairman

.....
• **Your attention, please!**

• Come next Spring, this newsletter will be in need of a new Editor. I have enjoyed very much serving as your state newsletter the last 8 years - 4 administrations, Nancy Burdick, Tina Bair, Betty Macmaster, and currently Lela Taylor! - but it will be time for me to step down sooner than I can imagine!

• Being the Editor takes a special desire to put all this fabulous information together in one handy-dandy format 4 times each year. I started out using Powerpoint, but today I use Pages on a Mac. I would love to have a new editor identified in the next 6 months so we have time to work together, if need be, for a seamless transition. This will be at least a two-year commitment.

• Please reach out to me if you have any interest in this rewarding position.
• Thank you - Kim
.....

GFWC-WS Educational Scholarships

What a great Washington State Convention. It was my privilege to serve as the Educational Scholarship Committee Chairman this year. Because of generous donations from many of our clubs and individuals we were able to provide wonderful scholarships to the two applicants submitted. Keyona Tartt, the applicant from Olympia Woman's Club received a \$3000 scholarship plus another \$1000 for the Kathy Estep Scholarship. Madison Krogh, the applicant from Moses Lake Woman's Club received a \$2500 scholarship. GFWC-WS should be proud of their contribution to furthering the educational goals of these two deserving students.

Scholarship Awards play an important part in GFWC. Many deserving students anticipate receiving a scholarship to help finance their college education. The Educational Scholarship Committee encourages each member, club, and district to consider making a monetary contribution to the Scholarship Fund for the future funding of the state's scholarship candidates. Adding the Scholarship Fund as a line item on your club or district budget is a good way to remember to make a contribution. Other ideas, would be a special fundraising project with profits designated specifically for the Scholarship fund, or for individuals just a small donation from the goodness of your heart and volunteer spirit.

Every \$\$\$ counts toward a larger goal. All contributions need to be sent to the GFWC-WS Treasurer – Kimberly Skagen.

Thank you, everyone, for your support and generosity.

Rena Johnston

Educational Scholarship Chairman

Keyona Tartt

sponsored by Woman's Club of Olympia receives a \$3000 general scholarship plus a \$1000 Kathy Estep Scholarship. Keyona plans to attend University of Washington or Western Washington University (where she's already been accepted to the Honors Program) and study to be a criminal justice lawyer.

Madison Krogh

sponsored by Moses Lake Woman's Club receives a \$2500 general scholarship. Madison attends Eastern Washington University and will use the scholarship to finish her plans to become an elementary school teacher!

Federation Forest

It's a **FOREST WORK DAY**

Saturday May 22, 2021

10am-2pm

Come out to our beautiful forest and help get the interpretive gardens and trail signs ready for visitors! We will be weeding and spreading mulch in the garden beds, cleaning off the trail signs on the interpretive trail near the center and possibly other light tasks. A guided walk through the forest, after lunch, will wrap up the day.

Things to know for the day:

- Masks must be worn.
- Breakfast treats, coffee and other beverages will be provided along with food-handler's gloves to serve them.
- No need to pack a lunch, as that too, will be provided.
- Bring hand gardening tools and gloves if you wish.

Directions: From Olympia/Tacoma area, take SR 512 East to SR 410 which takes you to Enumclaw. Continue on SR 410 approximately 15 miles. Watch for a sign on the right side of the road when the Federation Forest State Park property begins. (For those of you who have been to the park before, the sign is new—the old log sign rotted and was replaced with a fiberglass one.) Continue past that sign until you see a sign for Interpretive Center, also on the right side of the roadway. Shortly past the interpretive Center sign is a mailbox on the right at the park entrance. Proceed into the park property and park in designated parking areas. Because we are volunteers working at the park, no Discover Pass is needed.

Thanks to all clubs who keep donations in their budget ~

Lynn Cline

GFWC-WS Federation Forest Chairman

GFWC Sisters/Friends Road Trip

One traveler started in Olympia, picked up a second in University Place and a final member of the trio was picked up in Bremerton before embarking on their adventure, starting on the Kingston Ferry. Final destination? The Skagit Valley to enjoy the fresh air - out of doors - and the feeling of beauty of the flowers, not all were in bloom, but all were still beautiful. With a picnic lunch and some shopping it was a very relaxing day. Fun to be together safely, but really just nice to be together. Something everyone needs to do.

Lynn Cline, Beth Juvik & Juanita Paulson

Clubs in our State

Chamber's Bay Woman's Club

Attendance is still great on Zoom, we usually have 20/24. Looking forward to meeting in person, having treats and conversations. Hopefully in the Fall! Lots of changes for the YWCA... their new Apts. have been built and are ready for occupancy. Our Club donated money towards a kitchen. Monthly dinners (the makings for) are bought and delivered by 3 dedicated members, Nancy, Annie and Joni. The Y's annual fundraiser (luncheon, speaker, silent auction, donations) is coming up this month. Club has signed up for a "table". Of course on Zoom. We will all sign in and have a fabulous lunch at home listening to the speaker. The biggest change is that Miriam is retiring after almost 20 years as the leader. She will be missed but we all know she will still be around. Club members have been "cleaning house"! We had a fundraiser through a local thrift store. They bought items by poundage. A silent auction at the end of this month for baskets (bunco) and a garage sale in June are in the works. More info. will be coming out.

April 24th - A day to remember! 1st time in 14 months we have gathered as a club (more than 3) for a project! Twelve members, 1 husband and 2 members of "Sleep in Heavenly Peace" gathered at Deborah Bransford's garage with co-chair, Jodi Walker to cut, sand, assemble and stain the makings of twin/bunk beds. **No child should have to sleep on the floor.** This is the Peninsula District President Cindy Bassage's two-year project that sparked her interest and that of many clubs and friends. SHP brings all the tools and makings for the beds. We are then on the move, the assembly line. Over 4 hours of work plus a great pizza luncheon. We have been gathering the bedding and 10 quilts have been assembled and tied so far. SHP assembles the bed(s) at the homes and the children can help put their bed together.

CBWC keeps busy with the cleaning of our street, cleaning local parks, rotating bimonthly and trying to participate in helping other organizations in their projects, gathering food, making Easter Baskets and virtual fundraisers. So looking forward to summer activities and FALL BOARD in YAKIMA in Sept. Back to routine!

GFWC Sokico member, Louise Vittitow, met with Vision House to donate 20 goodie bags for Mother's Day.

Clubs in our State

GFWC Apple Blossom Club

GFWC Apple Blossom Club is busy collecting pop tabs for Ronald McDonald House in Spokane and also bread tabs for “Daniel Cares for Chairs”. Daniel Cares for Chairs is a non-profit that recycles the bread tabs and the money received goes to purchase wheelchairs for children. Besides our monthly email meeting we have started holding Zoom meetings on the 2nd Monday each month. While this club was started to use computers, it has been a challenge and a learning experience for all of us. We have many more project where we collect items or knit or sew items. We have something for everyone to do. **Join Us!**

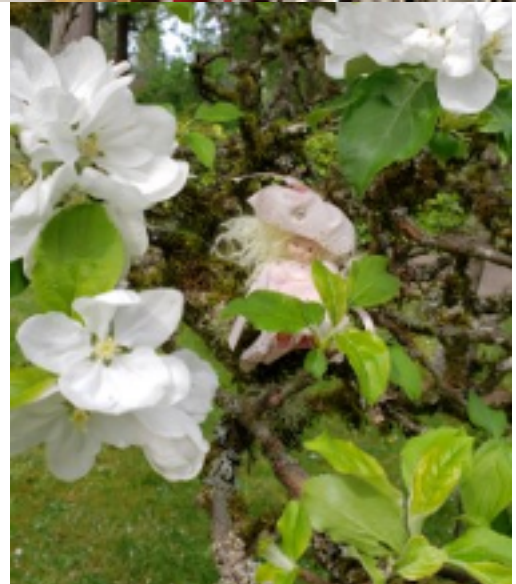

You can find us on Facebook and maybe you can find “Miss Apple Blossom”. She proudly wears her GFWC pin. Below she is admiring some of the pop tabs and bread tags she collected. In another picture she is tangled up in yarn to make hats for children in need. The other day she found some apple trees in bloom. Keep an eye out for Miss Apple Blossom.

GFWC Camas-Washougal helps with cooking class!

GFWC Camas Washougal has found a very fun and wonderful project through the Washougal School District.

Our two middle schools, Canyon Creek and Jemtegaard (named for a member of Alma Jemtegaard Ladd's family. Alma has been a GFWC C-W member for 40+ years). The two schools have formed a joint after school club, Club 8. We have had between 30-40 students participating per class.

GFWC C-W has joined the students for three of their cooking classes where they have made apple crisp, pretzels, chocolate banana cookies and most recent tortillas ALL FROM SCRATCH. Yes, from scratch. The facilitator drops off the needed ingredients and GFWC C-W packs out ingredient kits and then delivers the kits back to the facilitator. In turn she distributes the ingredient kits out to the children during the school week so that they can participate in their own kitchens. They have a volunteer demonstrator and the classes are taught via Zoom.

Clockwise from above

Photo 1: Chris Kamps (President), Jeanette Jester (Secretary) and Susan Bennett (Vice President) packing ingredient kits for pretzels.

Photo 2: Barbara Carpenter and Susan Bennett (Vice President) packing ingredient kits for banana/chocolate chip cookies.

Valentine's Day

For Valentine's Day GFWC C-W met via Zoom and created six different card fronts with a greeting for the back. Three hundred and fifty-five cards were printed and then distributed to five senior residential communities in Camas and Washougal.

You can see the joy in the faces of some of our recipients. And you couldn't help but smile when you saw their faces. GFWC C-W is all about bringing a smile to everyone that we come in contact with.

April is Child Abuse Prevention month

This year GFWC C-W partnered with Unite Washougal, please see below, to create a greater community awareness in Camas and Washougal.

The City Councils of Camas and Washougal presented GFWC Camas-Washougal with proclamations during their April Council meetings. These proclamations create a greater awareness to our communities - April is National Child Abuse Prevention month. GFWC C-W planted one pinwheel garden in front of the Camas City Hall and in Washougal gardens were planted in front of the Washougal Library and the Washougal River Road overpass area.

Clubs in our State

GFWC Camas-Washougal has created stationary that we are offering as an ongoing fundraiser. GFWC's Market Place no longer offers stationary. Our design inspiration came from GFWC's *Run For The Roses*.

Please review the attached order form. You can purchase card 1 and 3 in either landscape or portrait. Please specify on your order form. All cards are folded on the left side.

Each rose has just a touch of glitter on it. On the border of the front and inside is double scored to add a bit of interest. The inside has the GFWC logo and two rose clusters.

Our State President, Lela Taylor purchased 20 cards after seeing them last month during her social. Lela has given us a 5-star rating and told me she has already begun to use them. GFWC Battle Ground has made a purchase of 30 cards. Who would like to place an order? Just fill out the attached order form and return it with your check enclosed to us.

The cost of the cards - \$2.50 each or if you purchase them in packets of five, they are \$2.00 each = \$10.00. Postage is \$1.40 for five cards and \$2.00 for ten cards. You can mix and match which cards you would like. Just be sure to mark your order form clearly. The measurements are on the order form.

Please feel free to contact me with any questions that you may have.

Thank you for your time,
Susan Bennett
