

The **126th** Spring Convention is a GO!!

The Call to Convention has (hopefully) been delivered to your inboxes and mail boxes or you have made your way to our website and retrieved a copy and are in the process of completing and submitting!

Keep reading and you will find Registration & Convention details (hotel, menus) for our **126th Spring Convention!** Along with the preliminary Agenda and Proposed Resolutions.

All meetings will be LIVE and IN-PERSON and we can't wait!!

CANDIDATES!! We need YOU!

If you have any interest in running for office for GFWC-WS and making an impact in our state, now is the time to make that known!

Review the by-laws, get your District's endorsement, notify Jeanette Jester - Nominating Committee Chairman, and nominate from the floor at Spring Convention. Its not too late!

REACHING FOR RAINBOWS

First of all, I would like to thank all of you fantastic GFWC-WS members for giving me the honor to serve as your 2020–2022 GFWC-WS President. I would also like to express my appreciation to all of you who attended our ZOOM meetings for the past two years. Lastly, I would like your thoughts and prayers that our 126th Annual Spring Convention will be in person April 21 through the 24th in Olympia, Washington.

We have had ZOOM official meetings, ZOOM social meetings, had jewelry raffles by ZOOM; you received your teddy bears to hand out to children, and you have created purses with items that women would need in a homeless situation or domestic violence situation. You have had many projects that you have completed within your own club or district during this time of ZOOM. I have attended district meetings via ZOOM, club meetings via ZOOM and international meetings via their version of ZOOM.

At this time most of us are still wearing masks and hopefully have had all vaccines plus a booster shot but it is still generally a personal choice unless your area is mandated. I do understand at this time (by State mandate) the hotel in Olympia is requiring masks be worn by everyone in attendance in all public areas. That requirement may change by the time of our convention.

I would also like those who can or choose to, bring a teddy bear, or a gently used purse filled with items such as toothbrushes, toothpaste, lipstick or lip-gloss, comb or brush, any items that someone would not think to bring in a domestic violence situation or who may experience homelessness. Those items will then be given to domestic violence shelters or homeless shelters in the local area, that also accept children.

Look for the Call to Spring Convention in the following pages. Please believe in rainbows and register early. I have missed seeing you all and have lots of hugs to distribute. Looking forward to seeing you In April 2022. Looking forward to a real live, and well attended, GFWC-WS Spring Convention in Olympia, Washington.

Just remember, *“To Reach the Rainbow...You Must Take Chances”*

Parliamentary Procedure

Why Parliamentary Law?

Nancy Jones, Parliamentary Authority

**Adapted from Robert's Rules of Order Newly Revised
12th Edition**

The rules of parliamentary law are written on a careful balance of the rights of persons or subgroups within an organization's or an assembly's total membership. These rules are based on a concern for the rights:

- of the majority,
- of the minority, especially a strong minority (greater than one third),
- of individual members,
- of absentees, and
- of all these together.

The ways of protecting all of these rights in appropriate form, is much of the body of parliamentary law. The need for these protections commands the constant revisions the laws have undergone over the years.

Parliamentary procedure enables the overall membership of an organization to express its resolve, while empowering its leadership as it sees fit to allow. The overall membership keeps the direct control over its business that it chooses to reserve for itself. It is the majority of members taking part in the meeting who decide the general outcome, but only after the opportunity for a process of full and free discussion. Only two thirds or more of members present and voting may deny a minority or any member the right of such discussion.

Each individual or subgroup has the right to make the maximum effort to have their position discussed and declared the will of the assembly, to the extent it can be accepted by the interest of the entire body. This is why there are usually time limits placed on speakers during the presentations of bylaws and resolutions, for example.

Another important principle is that of a protection against instability. This could come from a slight difference in attendance; the requirements for changing an earlier action are greater than those needed for taking the action in the first place.

The application of parliamentary law is the best method developed to allow an organization or group of any size, while protecting every member's opinion, to achieve the general consensus on a wide variety of questions of different difficulty in a minimum amount of time. This also helps work through internal environment ranging from total harmony to hardened or emotional division of opinion.

The use of Parliamentary Law is the most useful tool in any leaders briefcase. Know the basics and you will get through any meeting you need to chair. The 12th Edition of Robert's Rules of Order Newly Revised was published last year. Make sure your club has a copy to share with your officers.

Dear Fellow Clubwomen of Washington State...

You still have time to make a big impact & finish President Lela's State Endowment fund campaign strong! Make your contribution now to the 'Reaching For Rainbows' Endowment Fund. Recognize your outgoing officers, your incoming officers, special members or occasions within your clubs... all are excellent reasons to make your donation today! You'll feel great after you write your checks & fill out the donation form found on page 81 of the [Administrative Manual](#).

Thanks for helping to fill the pot of gold at the end of our rainbow.

Linda Butcher
GFWC-WS Endowment Fund Trustee

The sky's the limit & we are all Reaching for Rainbows.

Environment CSP

Crocus and daffodils are coming up. Maybe Spring will be here soon. We have certainly had our fill of snow, rain, floods, landslides, and wind storms. Would be nice to "dry out". We had Fall plantings, trimming trees and bushes... almost time to thatch, mow and edge. Get those flower boxes ready to beautify your home and yard. Then there is the garden, time to get the ground ready. I admire those individuals. Our life comes full circle but in between the "work" is time to enjoy our beautiful surroundings. Whatever your environmental interests, they are always rewarding. Visit the parks... have an in car picnic. It gets you in a different environment.

Keep enjoying your daily activities. Remember to recycle, reuse and repurpose items. Enjoy life. Hope to see many of you at District Spring Conference and even more at State Convention in Olympia in April. Federation Forest Work Day will be May 14th. ** PS: As I am writing this, the TV is on in the background. Plastics vs stainless steel for kids and school lunchrooms? A pediatrician/mother is trying to find a solution of not using plastics at lunchtime. Chemicals are released after much use. Plastics contribute to kids health issues in the hormone system. More changes needed?

ESO - Epsilon Sigma Omicron

Have you been reading?? Lots of extra free time makes it easier than ever to get involved with ESO! Did you know you can READ or LISTEN! Audiobooks count ever bit as much as paperbacks and hardbacks! Libraries have lots of available “borrows” you can check out.

Resharing our ‘Reader’s Record’ form for Washington State below. Please do not adjust the size. It needs to remain 4x6 to fit in the file box. If you’d rather fill them out electronically, the file in excel format is posted on our website. If you are reading paper books, we need page count and approx hours spent reading. If you just can’t keep track of hours spent reading, you can also approximate it by dividing the total page count by 30 to find hours.

Not an ESO member or your club doesn’t have a reading circle, contact Jeanette and she can help you and/or your club get started.

Membership Memories

GFWC/WS is not just clubs having social get togethers, many working parts go into a club and team work is top on the list. Success comes from this team work no matter what you are accomplishing. Our organization was started to help those in need and to give women opportunities they had known they wanted but had no idea how to find them.

The 1800's were difficult times especially for men finding themselves and had never thought a wife, mother, daughter could need to find themselves also. Our Federation was the open door and has continued to thrive for women's rights and broadening horizons.

As distasteful for some and very time consuming as reporting is, we must make sure everything accomplished is recorded sent to our state and sent on to the GFWC Headquarters. You see, at the top, needs our hours and reports to apply for grants so headquarters can keep giving all we need to run our states. Again, MONEY! It is our staple in all we do to accomplish our community service. Please continue the reporting I have read. You are all phenomenal!

So wonderful GFWC Headquarters has given us the opportunities to pick and choose. Domestic Violence, Advocates for Children, Arts and Culture, Civic Engagement and Outreach CSP, Education and Libraries, Environment, Health and Wellness. A wide variety of "Unity and Diversity" We are celebrating the years of dedication. Our oldest club is 126 years old. I must add that this dedication comes from strong Leadership handed down each year.

Reading your reports I will mention a few of your community outreach. Holiday food and gifts for families, reaching out to our Veterans in Hospitals and VFW clubs, Valentines Day cards for Meals on Wheels to cheer and bring joy to shut ins and the ill. Conservation programs for bird species, on the east side of the state, that may be lost in agriculture moving the habitats. Recycling plastics, paper, metal, aluminum containers dumped and heading for our oceans. Home products collected and sent to 2nd hand stores. This in one avenue provides jobs to mentally challenged. Donations to many national organizations mostly children's advocates. Work day one time of the year in our own Federation Forest. Collections Food Bank, Supplies for the schools since cut back has taken place. Clothing for children taken from Domestic Abuse homes in the middle of the night in only their pajamas. Beds built and quilts made for each child sleeping on floors. Each month is honored like October for Breast Cancer. Donations to St. Jude for research for children's cancer. I have just touched on your wonderful and fulfilling giving of yourselves.

I need for you to share with women that want to give but don't know where to look to find where. Remember there is a contest until the end of this administration. Let us make a difference!!!!!!

Happy Birthday to our 100, 75, and 50 year clubs and Districts.

2022 GFWC ANNUAL CONVENTION
NEW ORLEANS, LA • JUNE 25–28

<https://www.gfwc.org/what-we-do/annual-convention/>

Registration is now open for this year's International Convention in New Orleans, LA!

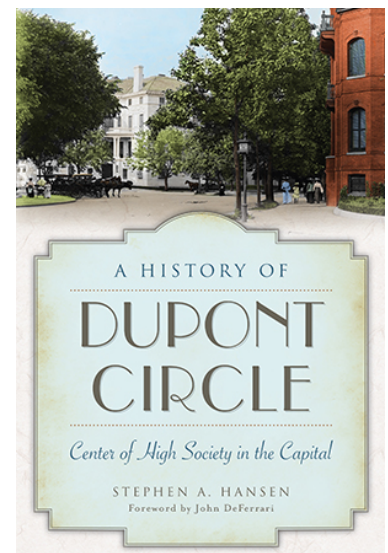

The Early Bird package discount ends April 30 so if you are at all considering going, don't wait too long to get registered!

Please tell Kim (daiziedot@yahoo.com) or Susan (suewatergirl@comcast.net) if you are planning to attend so we can get a list going of who's in, who needs a roommate, make travel arrangements, etc. The more the merrier!

Women's History Month

It's too late for anyone in WA to register and attend but this year's Women's History event at Headquarters features Stephen A. Hansen, architectural historian, historic preservation specialist, and author of ***A History of Dupont Circle: Center of High Society in the Capital***. Hansen will share the fascinating history of the Dupont Circle neighborhood where our Federation home was built in 1875.

His book is available wherever you find your favorite reads!

Did you know that the Clubwoman Magazine is FREE for everyone??!

Hi Ladies,

Some of you might be having trouble viewing the GFWC Clubwoman Magazine so I have put together some instructions to help you. The GFWC Clubwoman magazine is now only available on the GFWC Portal. (Every club and member is automatically 100% subscribed!)

You can find the portal under membership at [GFWC.org](https://www.gfwc.org). I bookmark the portal so I can go directly to the portal. If you receive News & Notes, then you already have a Member Portal profile.

Go to the GFWC member portal and login by clicking the icon at the top right of the page that looks like a person.

Enter your email address and password.

Click the person icon again and select **My Digital Library**

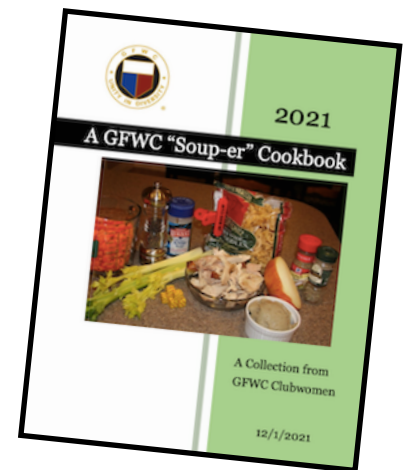

Click on **Resources**

Click on **"C"**

Click on **Clubwoman Magazine**

Click on the title of the issue you want to read, this allows you to download a pdf of the magazine.

Be sure to find and explore the **A Soup-er Cookbook**... scroll through and will find the winning entry of our very own Cheryl Holman!

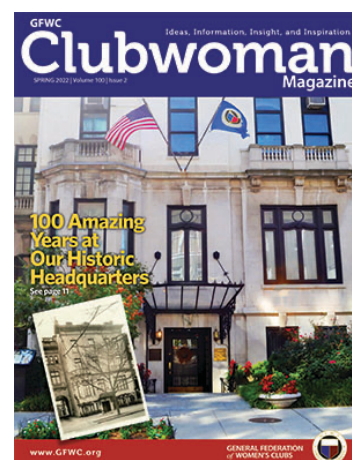

You can download any edition of magazine, or the cookbook, on your computer and look at it later.

I know it looks like a lot of steps, but they are easy steps. I hope this helps. There are other things that you can find in the resources such as the GFWC Club Manual. When you have time explore the resources.

It's a FOREST WORK DAY

Saturday May 14, 2022

10am-2pm

Look forward and plan to spend the day in the Forest! Come out to our beautiful forest and help get the interpretive gardens and trail signs ready for visitors! We will be weeding and spreading mulch in the garden beds, cleaning off the trail signs on the interpretive trail near the center and possibly other light tasks. A guided walk through the forest, after lunch, will wrap up the day.

Things to know for the day:

- Breakfast treats, coffee and other beverages will be provided along with food-handler's gloves to serve them.
- No need to pack a lunch, as that too, will be provided.
- Bring hand gardening tools and gloves if you wish.

Directions:

From the North, take SR 167 southbound. Follow 167 a little less than 20 miles to Highway 410 East. Or from the Olympia/Tacoma area, take SR 512 East to SR 410 East. Once on Highway 410, continue to Enumclaw, approximately 15 miles. Remain on highway 410 through Enumclaw. The park is located 15 miles east of Enumclaw on Route 410 about 30 miles below the summit of Chinook Pass.

Around milepost 41, watch for a sign on the right side of the road when the Federation Forest State Park property begins. (For those of you who have been to the park before, the sign is new—the old log sign rotted and was replaced with a fiberglass one.) Continue past that sign until you see a sign for Interpretive Center, also on the right side of the roadway. Shortly past the interpretive Center sign is a mailbox on the right at the park entrance. Proceed into the park property and park in designated parking areas. Because we are volunteers working at the park, no Discover Pass is needed.

Thanks to all clubs who keep donations in their budget ~

Members made cards for a nonprofit to give to patients to give to loved ones

Sounds complicated, but it is all about networking. Patients in hospitals and longterm care facilities often feel as though they are continually on the receiving end of love and have nothing to give in return. Members made cheerful cards for patients to give to their loved ones.

To provide a conduit between the club and various kinds of patients, the handcrafted cards were donated to a nonprofit with connections to many health care facilities.

Wendy McDaniels, left, spearheaded the project and instructed the other members in their card-making. She also provided all the patterns and materials.

Others in the photos are Ginger Crabtree, Leese Pohl and Gloria Walck.

LFL receives add-on

With the help of GFWC husbands Dave Miller (builder) and Ray Zimmerman (installer), a new section of the club's Little Free Library was installed on December 15. The addition matches the original LFL decor and is dedicated to the shelving of children's books. The GFWC logo is proudly displayed on both sections.

Showing the new unit's books are president Mary Lee Miller and Johanna Hyatt who maintains the inventory. Dave and Ray, far right, admire the finished mini-library. The library has enjoyed a great deal of activity -- take a book; leave a book. A roof over their heads and a gravel floor under their feet, make the location inviting and comfortable for readers.

Chamber's Bay Woman's Club

Chambers Bay has been busy: making pillow cases for children's hospitals, cutting squares and rectangles for Days4Girls for menstrual control covers for use in Refugee camps. Days gave us bolts to cut and we found working together things went smoother. The club supported 4 families for Thanksgiving and Christmas – food and gifts for the whole family. Collecting gift cards and socks for the foster care system (District). 3 members volunteered on a Sat. in Dec. to shop for kids in local schools. Sponsored by a local group, Caring for Kids, who receives donations throughout the year. We support them with items, food and money. For fun we attend their dinner/auction. This year we put together 2 baskets with homemade quilts and handmade sweaters, stuffed animals +. We still volunteer at My Sisters Pantry distributing food. Feel lucky to do some inside events.

Outside projects can get more members involved. A small weeding project at Amara (foster care) turned major. Amara staff and some foster families helped. A small weeding in front ended up with netting and bark around the whole house. We cleaned the roof and gutters, with some repairs, of tree needles and installed new downspouts. We also weed and plant at Serra House (homeless teens) in downtown Tacoma. They moved to this house and needed outside work. Also attended a dinner/auction for them. Our Nov./Dec. fundraiser gave us over \$2500 – selling carwash tickets.

PS Through our club Facebook page we received a message from our “daughter” Mary in Uganda. She must have found paperwork with our club and individual names. Sent a short note and pics of herself, husband and 2 sons. (We paid her school tuition (uniform +) for youth and 3 years of college.

The Woman's Club of Olympia is planning an open house at 4 p.m. on the Friday of the Washington State Spring Convention in April. Since the convention will be held in Olympia, we invite anyone who wishes to attend a tour of our remodeled house and partake of some refreshments. We are proud of the remodel and want to show it off. All of our projects are now complete and we have used the entire \$245,000 through the grant obtained in 2019 from the Washington State Legislature Community Project fund. Our open house was held in July with a ribbon cutting. We look forward to having you as our guests during the convention.

Candidates for Office

Sue Tyler, candidate GFWC Washington State President

GFWC KING COUNTY DISTRICT

To: GFWC- WS Nominating Committee

GFWC King County District is pleased and proud to endorse Susan Tyler as the nominee for the position of GFWC-WS President. Susan has been a member of GFWC Sokico Woman's Club for 20 years, and during that time she has served as Secretary, Vice President, President and numerous CSP Chairmanships. Susan is currently serving as Co-President of Sokico.

Susan Tyler has served GFWC King County District in many capacities. Sue has served as Secretary, Vice President, and President. She is currently Education and Libraries Chairman. Sue began her volunteerism at the State level as Secretary and has been a member of several committees. She was a LEADS candidate and has represented GFWC as an advocate for Shot@Life, a CSP Partner organization. She is currently serving as GFWC-WS Vice President.

Volunteerism is second nature to Susan; she was a Girl Scout leader for 12 years and a facilitator of adult learning for Girl Scouts, teaching volunteers leadership and outdoor skills. She has volunteered with the Seattle Aquarium as Beach Naturalist and Cedar River Journey Naturalist for about 15 years and led workshops in marine biology and environmental education at the Foss Waterway Seaport.

Susan currently resides in Auburn with her two daughters and their five shared cats. She is planning to retire (again) from Boeing, after spending 40+ years herding engineers and planning events.

Leadership, enthusiasm, dedication, and willingness to accept challenges make Susan a good choice for GFWC-WS President. Susan has consented to have her name placed in nomination, and GFWC King County District is excited to endorse Susan Tyler for the office of GFWC-WS President for the 2022-2024 Administration.

Sincerely,

Nancy Larsen
GFWC King County President

Candidates for Office

Kimberly Skagen, candidate GFWC Washington State President-Elect

**GFWC-WS Nominating Committee
and GFWC-WS President, Lela Taylor**

Ladies, GFWC Peninsula District is pleased to endorse Kimberly Skagen for the office of GFWC-WS President-Elect for the 2022-2024 administration.

Kim has proven herself a strong and dependable leader for GFWC since joining in October of 2010. She first became involved, joining GFWC Computer Link (now GFWC Apple Blossom Club, 2010 to 2015) and then GFWC Valley Volunteers (2012 to present). She has held all executive positions at the club level, and is the current President of GFWC Valley Volunteers. Since serving as the 2018-2020 Peninsula District President, she is now also a member of GFWC Keystone Peninsula, the past district presidents club.

At the state level she served as the Advocates for Children chairman, the LEADS candidate for 2013, and has held the position of GFWC-WS Clubwoman Editor since 2014. Serving on the Executive Board, she held the office of Secretary for 2016-2018, and the office of Treasurer for two terms, 2018-2020 and current, 2020-2022.

A Boeing employee for over thirty years, Kim is a technical drafter who has been a Lead of workgroups for more than half her career. She currently works in Interiors Certification, supporting on-time airplane completion, certification, and delivery. She has responsibility for managing schedules, integrating work groups, presenting metrics, and serving as the Interiors voice for making decisions regarding airplane and delivery processes.

In addition to her work experience, Kim has volunteered for other organizations besides GFWC, and held various positions including secretary, treasurer, scheduler, and registrar. She has managed multiple “Coffee/Snack stations” at work, and has worked each Spring, doing tax preparation since 1990.

GFWC Peninsula District is very proud to endorse Kimberly Skagen as President-Elect for GFWC-Washington State.

Sincerely,

Cindy Bassage
GFWC Peninsula District President

Candidates for Office

Virginia “Pinkie” Eggleston, candidate GFWC Washington State Treasurer

GFWC-WS Nominating Committee and GFWC-WS President, Lela Taylor

GFWC Columbia District is pleased and proud to endorse Virginia “Pinkie” Eggleston for the office of GFWC-WS Treasurer for the 2022-2024 administration.

Pinkie has been a member of GFWC-WS for over twenty-eight years and has previously served as the GFWC-WS treasurer for six years.

She has also served as the GFWC-WS Administrative Secretary, two terms as Protocol Chair, two terms as Credentials Chair, Clubwoman Magazine Chair and Registration Chair.

Before moving to the Long Beach Peninsula in 2003, Pinkie was very involved in the King County District as a member of GFWC Sokico. She held the offices of treasurer, vice-president and then president of King County District.

Today, Pinkie is a member of GFWC Vista and has held the office of treasurer for GFWC Columbia District. She served as GFWC Columbia District President from 2016 to 2018. In addition, Pinkie holds membership in GFWC Valley Volunteers and GFWC Apple Blossom Club.

Pinkie is extremely dependable and very diligent in maintaining a budget.

She and husband “Egg” (Oliver) celebrated their 55th wedding anniversary in October. They have two adult children. Their daughter, Kimberly Skagen, currently serves as the GFWC-WS Treasurer and is a very active member of the GFWC Valley Volunteers. They also have a son, Scott.

GFWC Columbia District is very proud to endorse Virginia “Pinkie” Eggleston as Treasurer for GFWC Washington State.

Paulette Stinson
GFWC Columbia District President

126th GFWC-WS Annual Convention

April 21-24, 2022

Pre-Convention – Visit the GFWC Olympia Woman's Club Open House on Thursday, 1-4 p.m.

Hotel Information

This year's convention is being held at the **Olympia Hotel at Capital Lake**. This is the same hotel we visited in 2020, which was the Red Lion at that time. They are very excited to have us return.

The room rate for this convention is \$110/night but the hotel offers breakfast included with your room. This is a plated breakfast in the restaurant, you order off the menu. When you check in, if there are more than two people in your room ask for an extra breakfast coupon for the extra persons. This is a \$12-15 value, and we hope you will take full advantage of this opportunity. The cutoff date for our room block is April 1st. Don't miss making your reservation at our special rate. You can always cancel up to 48 hours in advance.

Covid protocols and staffing shortages have hit the hotel industry hard. As many hotels are doing in the present time period, the Olympia Hotel has gone to reduced room refresh. They will not refresh your linens on a daily basis, unless you call the front desk and request the service.

The West Water Restaurant offers a great environment for catching up and relaxing with friends. Overlooking Capital Lake, enjoy refreshments in the West Water Lounge. This area has been redecorated since our last visit. The lobby bistro offers espresso from a local roastery and a wide selection of baked goods.

Hotel's Covid Mandate

At the present time masks must be worn in all common area of the hotel at all times. Once you are seated in the restaurant or in the banquet room for our meals, you may remove your mask.

However, at this writing the state is looking at removing these mandates for outdoor activities and possibly indoor gatherings. Keep your eye on the news, and we can hope for the best. Of course, if you are more comfortable wearing your mask during our meetings, do not hesitate to wear your favorite face covering. The health of our members and those around us is our first concern. We do not want anyone to be uncomfortable. We are just excited to have the opportunity to come together in person no matter with or without masks!!!

What to Wear

All meetings are business casual. For Friday's dinner it is suggested After Five. Saturday is the Installation banquet and cocktail, or formal dress is suggested. Sunday breakfast is travelling clothes and GFWC wear. Here is your opportunity to show off your federation wear all the way home.

What to Bring

Lots of enthusiasm, smiles, and hugs to share. Bring a friend and share federation. It has been a very long two years since we were all able to be together. Members are counting the days before we get to share another meeting and catch up on all that has been going on around the state.

President Lela has asked that we finish out her President's Project with one last collection of bears and/or handbags. There will be handbags on the table at Friday's lunch. Help fill them with items you think women might need when they leave a domestic violence situation with nothing but the clothes on their backs. Some of the handbags may go to the homeless shelters as well. Reaching out in kindness can brighten the day for the receiver as well as the donor.

Bring extra cash for fundraisers and do not forget your green Washington State name badge.

See you in Olympia!

GFWC-WS Convention Art Competitions

Arts & Craft Categories

Bring your Member Art and GFWC entries to convention :

Wearable Art ° Fiber Art ° Jewelry ° Painting & Fine Art ° Student Art ° Photography

The Art Room will be open at 8:00 until 10:00a.m. on Friday morning to receive Member Art entries. Make sure you include your "Creative Arts Waiver" (copy attached) with your entries.

Unfortunately, there is not writing contest this year. Due to Covid and not knowing if we could have an in-person meeting the deadline passed for this year. So, start writing for the next Convention.

GFWC Photography Contest rules:

- Photographs may be vertical/portrait or horizontal/landscape.
- Photographs must be the original work of the member submitting the photo.
- Each photograph must be an 8x10-inch print. Digital submissions alone will not be considered, but a high-resolution digital copy of the submission is encouraged.
- All photographs must be mounted on a rigid 8 x10-ince board and overall thickness may not exceed 3/8 inch. NO mattes, frames, or hangers!
- Judges will look at the overall creativity of subject and quality of the photograph.
- Photographs may be taken using film or with digital cameras and may be color or black and white.
- Winning photographs will NOT be returned. (These are sent on to GFWC)
- Each photograph must have a label affixed to its back with the following information:
 - Contact name: The World in Pictures with category or GFWC Living the Volunteer Spirit
 - Photographer's Name, Email Address, Mailing Address, and Phone Number; Name and State of sponsoring club.
 - Title and brief caption giving location, date, and other pertinent info about the photograph
 - Arrow indicating top of the photograph.

In an effort to make sure we have room for all of your entries, please drop this chairman an email prior to convention indicating what you are entering and how many pieces you have. It will help for set-up and judging. Thanks for your help in make the competition an exciting experience for everyone.
