President's Message

As we are starting a new administration, I want to thank the 2020-22 officers for their work in such a difficult time. Thank you to the new officers for stepping up for the 2022-24 administration. I look forward to working with you and spending more time together. working on projects in our community.

Please let me know if there is a chairmanship or committee you would like to work on. Do you have projects that you would like to see us do in the coming year.

Our next meeting is June 16th, 12:30 PM at Subway on Kitsap Way in Bremerton. I will have a fun activity at the meeting. The main thing we need to discuss is our anniversary celebration. Please invite friends to join us at our meeting. Please share this newsletter with them.

Celebrating 75 years of Community Service

GFWC Bremerton Juniors was federated in 1947. Over the years members have participated in many community projects, helping to make Bremerton and Kitsap County a better place for all to live. In 1992, the club name was changed to GFWC Kitsap Peninsula Woman's Club to better reflect who we are. We are women of all ages and live all around Kitsap County.

At our June meeting we will be picking a date for the celebration and where we want to hold it. I am thinking about an outdoor event on a Saturday or an evening. Names of former members and their addresses are needed. We also would like to invite women that might be interested in knowing more about our club. Our celebration will be held in August or September. We want to make it a fun event.
