JANUARY WRAP-UP

This is the month where each one tries to catch their breath, and start gearing up for warmer weather activities....and taxes. I guess Spring's arrival depends on Mr. Groundhog and his shadow—which does not seem to make much difference on when Spring decides to arrive.

Some members of the club have been packing the books for sale at events into plastic containers to keep the books in good condition.

There was sad news in the community— MWSD lost a teacher. Mr Rickey will be missed.

There are a lot of different groups in the area—check each one out to see which would be a good fit for you to get involved in the community. There is a “Springdale Community Monthly Events” which lists every thing from Amateur Radio to Youth Grange posted at various spots around town.

FEBRUARY-MARCH-APRIL-MAY PROJECTS

BUDGET: It is time to set up the new spending plan and review what has been done the past couple years. The bank statements and records will be available to look at also. It would be a good idea to review every thing and do an audit.

Troup-On: This is an opportunity to help our troops ~ learn more about this at a meeting!

Literacy: One of this club's projects is to promote literacy by selling gently used books. Please let us know if there is an event where we can set up a table.

By-Laws: Review and discussion, any adjusting, and adoption.

Community: 2019-20 School Supplies ideas

Fundraisers: Raffles, Book Sales and other scheduling events are being planned at the upcoming meetings.

Let's also discuss YOUR ideas for the success of this club!

Remember to:

Come to the monthly meetings,
Participate in the club's projects and fundraisers,
Invite a friend, or two, or three, or and
Stay/Get involved in your community.
