~ Nothing on the Calendar for April so far....**Please stay safe and healthy** ~

### March WRAP-UP

The meeting was changed to March 7, and some things were postponed until the April or May meetings after the NE Districts was discussed, and the Springdale Fire District building was reserved for that event.

### Covid-19 Pandemic

WOW! Things sure have changed in just a short period of time. For one thing—maybe you have more free time as most everything has been cancelled or postponed for March, April, and May. Even though this is a stressful time, I hope you find time to rest. Those that work in certain fields, such as medical, transportation, and retail (includes grocery stores, drive throughs) are running to keep up with the demand.

What stories we and our children will be able to tell their children and/or grandchildren about this event. With the “Great TP Shortage of 2020” story, I hope there are some positive things to add, such as some calling or texting senior citizens and shut-ins to make sure all is ok and offering to pick up groceries for them; companies offering free books or classes to children that are out of school for a couple months; free online courses offered by some of the colleges; no real snowy February this year; nice Spring weather, etc. I wonder how this pandemic time will be printed in future History books?

**The MadHatter Tea has been postponed. A new date will be discussed when fact-to-face monthly meetings can be resumed.** The Camas Valley Grange April Bingo, meetings, Sew Days, and the May Springdale Boosters Craft Fair was cancelled. **So far** the July 18 Annual Parade and Showcase In The Park is still on.

GFWC Springdale has already reserved a space to sell used paperback and hardback books, which is just an excuse to hand out GFWC information and talk with people.
