FEBRUARY WRAP-UP

Not much to wrap up really.....the February 9th meeting was rescheduled to February 16 and then cancelled due to hazardous conditions. Winter really took over February—dumping a LOT of snow everywhere in the PNW. There were multiple school closures, motor vehicle accidents, highway closures, and a few days of high wind gusts.

I learned something new about a Keurig. If it does not seem to want to work, take off all loose parts and the water holder, turn it upside down over a sink, and give it a couple hard whacks on the bottom...some times it needs to be burped! A friend, Elle, showed me this trick a few years ago.

There are a lot of different groups in the area—check each one out to see which would be a good fit for you to get involved in the community. There is a “Springdale Community Monthly Events” which lists every thing from Amateur Radio to Youth Grange posted at various spots around town.

MARCH-APRIL-MAY-JUNE PROJECTS

BUDGET: It is time to set up the new spending plan and review what has been done the past couple years. The bank statements and records will be available to look at also. It would be a good idea to review every thing and do an audit.

Troup-On: This is an opportunity to help our troops ~ learn more about this at a meeting!

Literacy: One of this club’s projects is to promote literacy by selling gently used books. Please let us know if there is an event where we can set up a table.

By-Laws: Review and discussion, any adjusting, and adoption.

Community: 2019-20 School Supplies ideas

Fundraisers: Raffles, Book Sales and other scheduling events are being planned at the upcoming meetings.

Let’s also discuss YOUR ideas for the success of this club!

Remember to:

Come to the monthly meetings,

Participate in the club’s projects and fundraisers,
